

Dear Caregiver,

This year, our class is receiving *Scholastic News*, a nonfiction magazine just for first-graders. Your child will have his or her own magazines to take home.

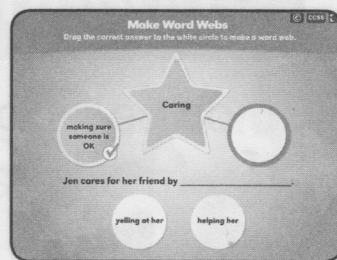

You can also go online to the *Scholastic News* website. You and your child will be able to:

- read and listen to digital articles
- watch nonfiction videos
- print out bonus work sheets
- do fun skill-building activities

The issues, videos, and work sheets are also available in Spanish!

Go to www.scholastic.com/sn1.

You'll need to click the "Student Sign In" button and use our special class password, to access the website or iPad app at home.
